ELKE GAISER "I have a dream"

Germany

20cm x 20cm

600g

Titel: Reality and Fantasy. August 2005

Tempera colors and modeling clay, in a wooden box.

All my work was influenced by the bright colors, which appear in Nature as well as in people's imagination.

My dream: A colorful life for all people in our world.

The prevention of the biosphere from extinguishing, dying out or drying out and preservation of our Nature.
